

Are you ready? Changes coming to AP® in 2019-2020

We at APTS ARE Ready to support you in a variety of ways!

Resources and Supports for AP

Designed to motivate students and improve the AP classroom experience

Instructional Resources

- AP Question Bank
- Unit Guides
- Unit Tests
- Performance Dashboards

Ordering and Administration Supports

- Digital Activation
- Streamlined Ordering
- Personalized Labels

College Board® is launching in 2019-2020 a new AP® Classroom online with:

- Access to AP® Question bank for AP® Audit approved teachers
- Unit resources
- Performance tracking
- Data disaggregated automatically by teacher AND by class section
- Online submission of student exam decision and registration details
- Personalized AP® Exam labels for students (No more Pre-Admin!)
- **AND: NEW DEADLINES (October 4: Priority Ordering and November 15: Regular Ordering)**

What does this mean for me as an AP® Coordinator?

- More detailed Fall set up in the College Board system
- No more pre-admin! But more cross referencing of payments and student enrollments
- Cross referencing student exam decision indicators and payments
- Communication with Admin and Teachers to ensure preparedness for the timeline shift
- Make sure you have support! What kind? Like having APTS in your corner ;)

How can APTS support me as a coordinator?

- Variety of payment timelines and setups to support best practices in the new model
- Digital Invoicing of students who indicated YES to taking the exam (delivered to their inbox and tracked for you!)
- Cross-referencing: Get a quick report of who has NOT paid exam fees yet!
- Payment Plans for families
- Exam Payment Deadline Reminders
- Hands on support and coaching for coordinators
- and MORE!
