

Be Ready for your 2025 Digital AP Exam

ALL AP exams now have a digital component that requires you to bring your CHARGED Chromebook and charge cord to all exams.

BEFORE exam day, students should make sure to:

- Check their exam date on MyAP (<http://myap.collegeboard.org>)
- Beginning in April, check where to report for their exam based on their school of enrollment at <http://aptsusa.com/carlsbadhs>
- **Make sure that BEFORE exam day they know their College Board MyAP login username (which is the email address linked to their account) and password - and practice logging in!** (There will not be time on exam day to contact the College Board for a reset of a password).
- **These exams will be administered on students' school-issued Chromebooks. To make sure that their exam saves and can be completed successfully, they must bring the Chromebook on exam day in fully charged status AND make sure to have checked for updates and restarted it the week before the exam to ensure the most current College Board/ETS exam app installation.**
- Students will see the exam app, BlueBook App, when they are LOGGED OFF on their Chromebook, under the Kiosk Apps icon in the bottom left corner. It will be identified as the Bluebook App.
- Watch the College Board Digital AP Testing Video to learn what it's like to take a digital AP Exam: [Getting Students Ready for Digital AP Exams](#)
- **Try the digital AP Exam preview questions.**
Students should open the Bluebook App and should sign in with their College Board account and explore the digital AP Exam preview questions. Students who can't access the preview questions on their device should notify their school site AP coordinator as soon as possible to make sure the device is ready for exam day.

On exam day, they should make sure to:

- check-in at the reporting time indicated on <http://aptsusa.com/carlsbadhs>
- Bring a CURRENT Picture ID (School ID or Driver's license)
- Bring pens AND pencils, bottled water and a snack to access during the exam break
- **Bring your assigned school-issued Chromebook in FULLY CHARGED STATE (bring the cord!)**
 - **These exams will be administered on students' school-issued Chromebooks. To make sure that their exam saves and can be completed successfully, they must bring the Chromebook on exam day in fully charged status AND make sure to have checked for updates and restarted it the week before the exam to ensure the most current College Board/ETS exam app installation.**
 - Students will see the exam app, BlueBook App, when they are LOGGED OFF on their Chromebook, under the Apps icon in the bottom left corner. It will be identified as the Bluebook App.
